Subject: C-Faller Certification Completion Memo

To: Local / Agency Training Representatives

The following individuals have successfully completed the required training of Geographic Area Chainsaw Refresher (GCHNSW), an initial and triennial recertification refresher on September 24-26, 2013. In addition, with the extensive objectives covered, it also accomplished the Wildland Fire Chainsaw Refresher (RT-212) training requirements for Faller Class A/B/C. This classroom training and field certification was conducted and hosted by the Mountain Home Ranger District, Boise National Forest.
